

coffeeRIDE

LIGHT

A new regular event
in collaboration with Trail Hut.

It's free,
except
the coffee.

coffeeRIDE

HARD

While having fun, let's look for
possible cycling roads, work on
popularizing recreational cycling
and exchange ideas about
how to make Hokkaido
a bike-friendly island.

Come
and
join us
any time.

coffeeRIDE

MODERATE

Let's do some recreational rides
around Sapporo, with a coffee
break at a nice place.

coffeeRIDE

UNPREDICTABLE

Rides will be labeled according to
difficulty. For the time being, we
plan two rides per month.
